

FABIAN PEREZ

PERSONAL PORTRAIT
OPPORTUNITY

FABIAN PEREZ IS THE FOREMOST FIGURATIVE ARTIST OF OUR TIME

His acclaimed public and private portraits are highly prized by those fortunate enough to own them. They hang in personal collections in stately homes, presidential palaces, music studios and the Vatican, as well as in the homes of distinguished collectors from around the world.

His personal artistic movement, 'Neo-Emotionalism', continues to inspire a generation of art lovers, and to own a painting by Fabian Perez is to invest in a piece of art history. A painter of 'living legends', he has become a legend in his own right.

PERSONAL PORTRAIT
COMMISSION

You may wish to commission a painting of yourself or perhaps a piece celebrating a loved one. This is a rare and fantastic privilege that would once only have been afforded to the royal family, the aristocracy, or the most powerful or wealthy members of society.

Inks and paintings commissions are available in sizes starting from 9" x 12".

Fabian is happy to work from your own special photograph to immortalise your chosen individual on canvas.

LIVING LEGENDS

In this remarkable series, Fabian celebrates some of the most famous faces of our time with portraits of living legends ranging from rock stars to sporting heroes who he personally admires.

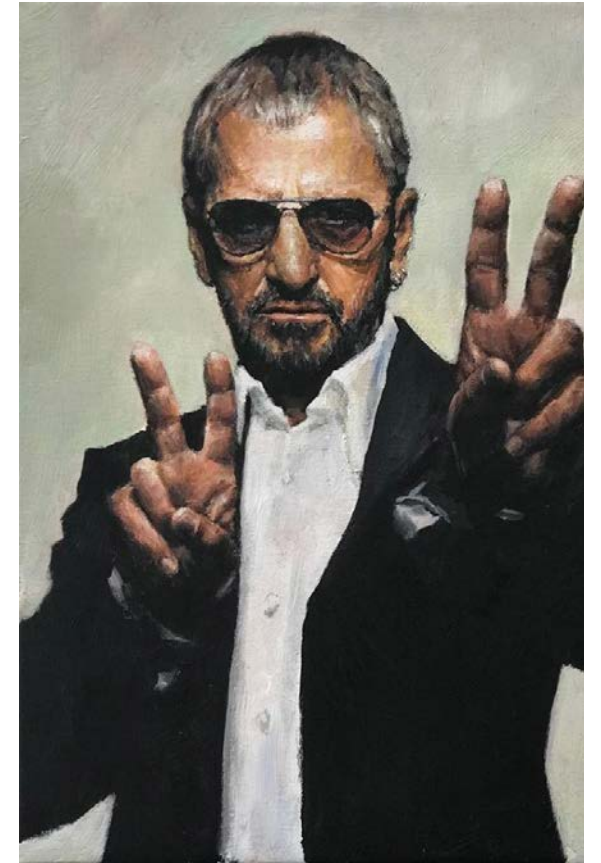

Arnold Schwarzenegger

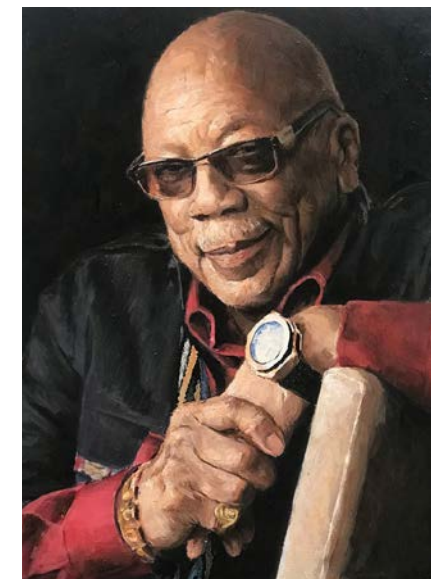

Al Pacino

Ringo Starr

Pep Guardiola and Sergio Aguero

Quincy Jones

Whether portrayed in action or in repose, every subject is brought to life with accuracy, affection and respect.

Fabian captures the essence of each distinctive personality in these beautifully lit and uniquely recognisable tributes.

SOCIETY PORTRAITS

◆ —————

When Fabian spent a weekend at Althorp, the famous family seat of the Earl and Countess Spencer, he unveiled this portrait he had painted of the Countess for the family's private collection.

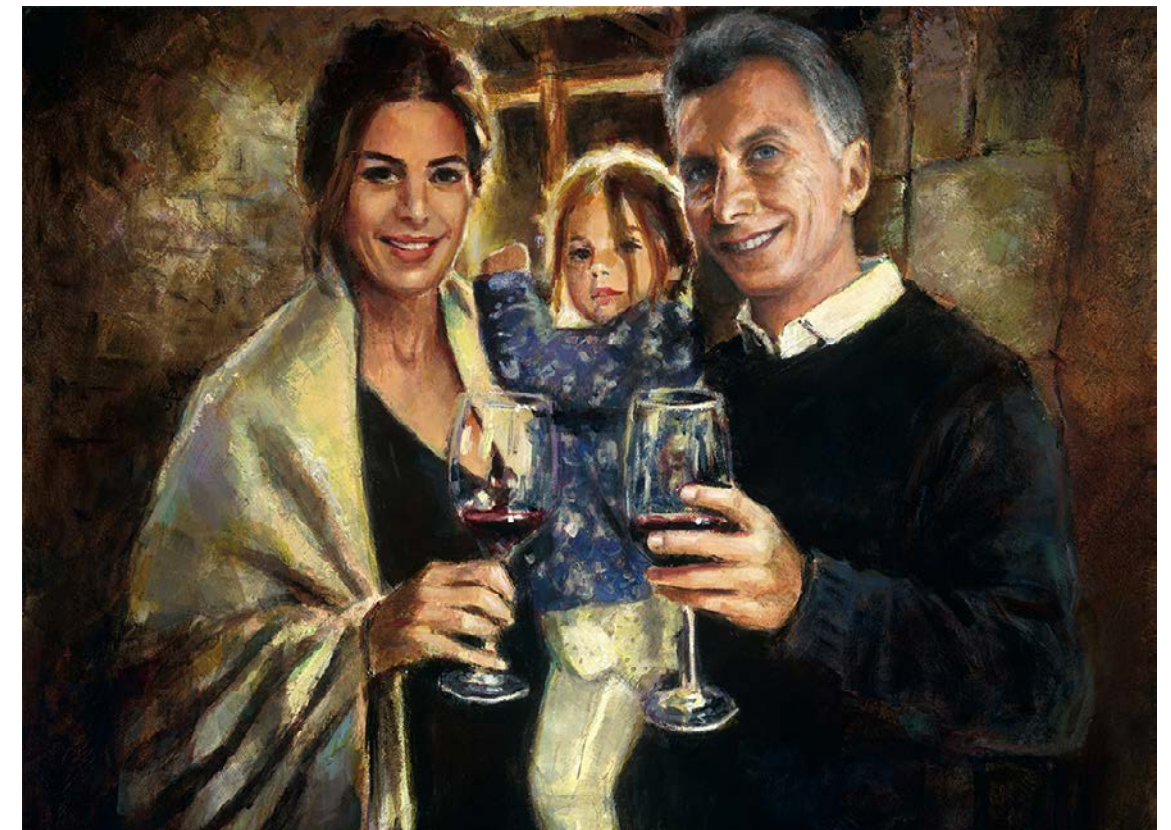

HISTORIC PORTRAITS

Pope Francis

Fabian was invited to the Vatican to personally present this portrait to Pope Francis; it is now in the Pontiff's private collection.

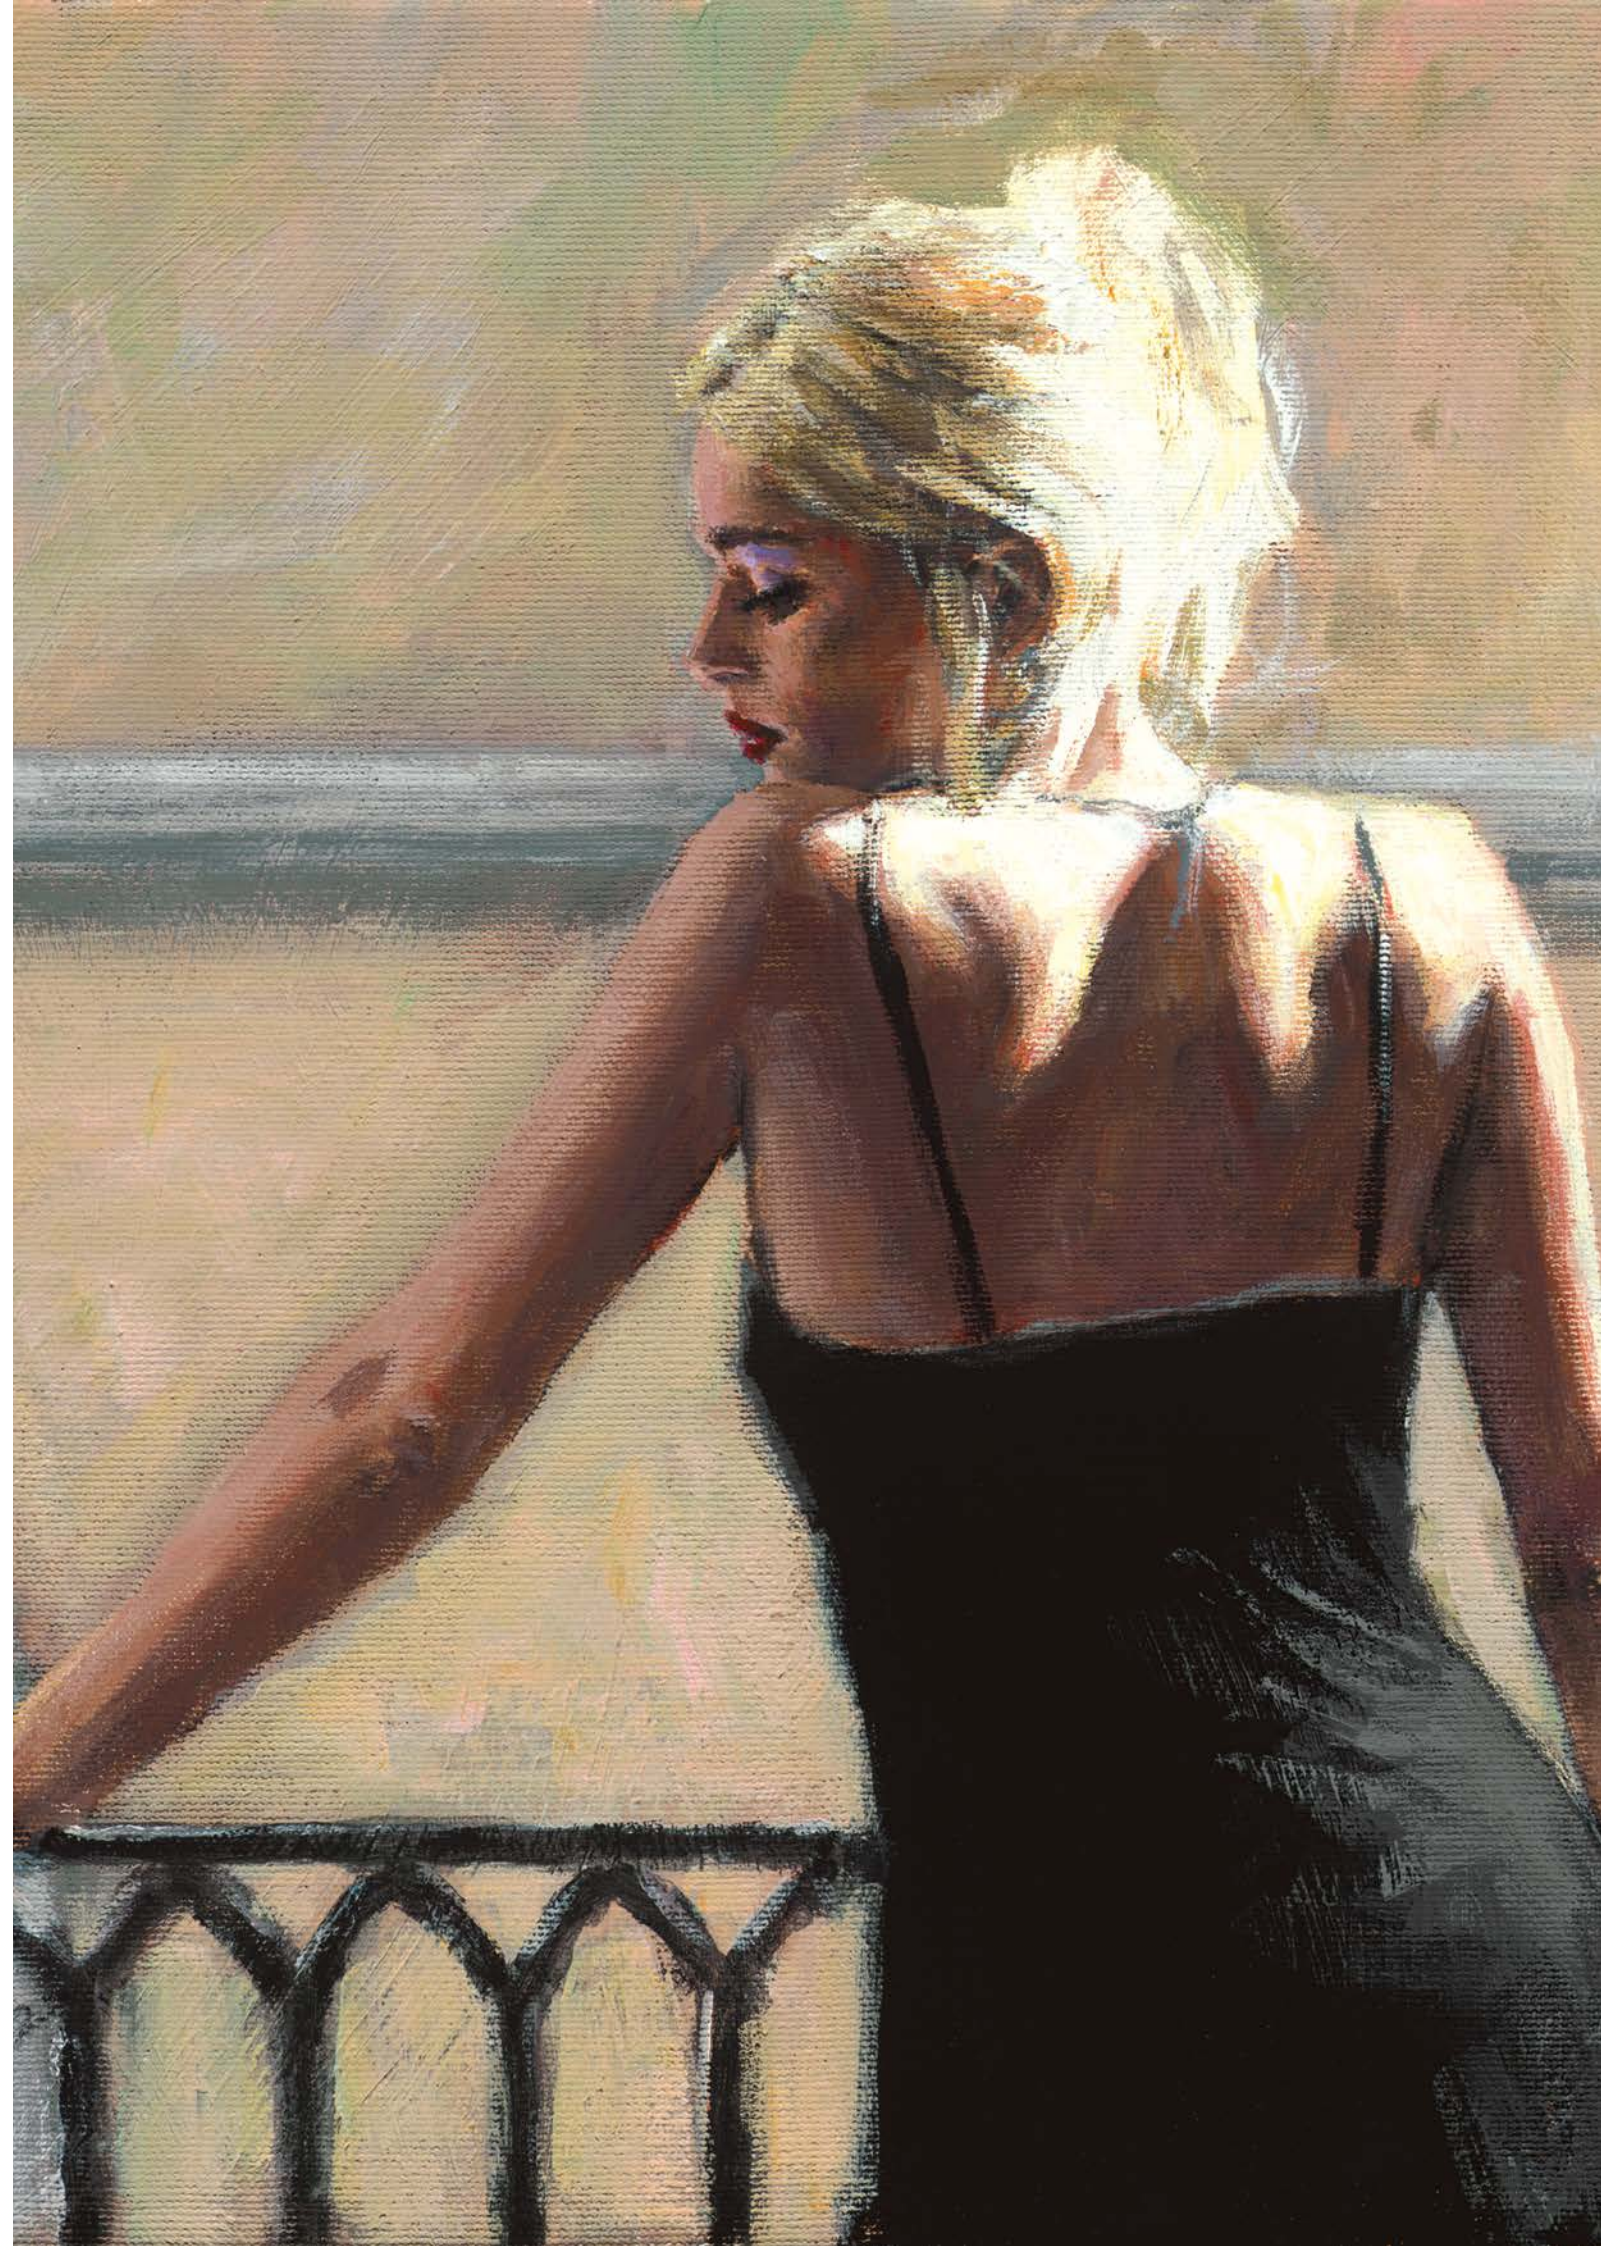

President Mauricio Macri

After painting former Argentinian President Mauricio Macri and his family, Fabian was commissioned to paint the President's official state portrait.

PERSONAL PORTRAITS

◆ —————

Fabian paints a very small number of personal portraits. These intimate and beautiful works are both a stunning likeness and a deeply personal interpretation. Fabian paints from his soul at all times, and each portrait tells a story of his own response to the subject, in an expressive and emotional masterwork.
