ORIGINAL PAINTINGS

“MY PAINTINGS ARE MY WAY OF TELLING A STORY, A STORY OF THOSE THINGS THAT TAKE PLACE AFTER HOURS. I PAINT THE TEXTURE NOT ONLY OF THE SUBJECT AND THE OBJECT, BUT ALSO OF THE ATMOSPHERE, AND OF THE NIGHT ITSELF. I PAINT THE COLOUR OF A MOOD, GIVING THE VIEWER A SENSE OF MORE THAN I COULD EVER TELL THEM WITH WORDS.”

- FABIAN PEREZ

As a master and teacher of Karate, Fabian's interest in the discipline of martial arts led to a fascination with Buddhism, and these pieces reflect his admiration for the inspirational individuals he has met on his life's journey.

"I PAINT THE BODY TO PORTRAY THE SOUL. I WANT TO CAPTURE THE REALITY, THE MOST BEAUTIFUL AND AUTHENTIC PART OF A PERSON."

The influence of cinema can be seen in much of Fabian's work, in the shading, the drama and the strong narrative strand. In this new collection he has celebrated his love of the genre with a tribute to one of the all time classic movie characters in six of his famous incarnations.

“PAINTING 007 IS LIKE PUTTING MY OWN CHARACTERS INTO A MOVIE SCREEN - CHARACTERS WITH CLASS AND ELEGANCE.”
