SIMON KENNY

WORLD OF LIGHT

Celebrated British abstract artist Simon Kenny is back with his much-anticipated new collection of luminous limited editions and originals which radiate an otherworldly light and energy.

LIMITED EDITIONS

Inspired by the shifting shapes and colours of the cosmos, these new collectable limited editions pay homage to the artist's passion for space, time and the infinite.

This innovative contemporary presentation allows the image to sweep across six 'staggered' panels to create an unusual and dramatic centrepiece.

“I do become incredibly emotionally connected to my work, almost treating it as though it’s a living thing. My mood plays a part in the colours I choose, or the way I use my brushes and knives, and it can certainly affect direction of the work; that’s what makes it so special and so deeply personal to me.”
