

EMILIJA PASAGIC

NEW COLLECTION

ORIGINAL ARTWORK

Pasagic's distinctive creative process embraces a range of ancient and modern techniques which bring depth and character to her mixed media compositions.

Whether she is blending bees wax and oil paint, fusing paper and cloth into her raw pigments, or superimposing gold leaf or another antique finish onto a piece, the overall effect is always of a delicate and beautifully textured contemporary interpretation.

GRACE AND BEAUTY

In this exquisite trio of hand-finished limited editions, the delicacy of the pastel images is offset by touches of robust colour, and this combined with the loose, semi-abstract composition brings a contemporary edge to a traditional subject.

GRACE AND BEAUTY I

Embellished Box Canvas Edition of 95
