TODD WHITE HIGH SPIRITS

Todd White's witty and irreverent take on lifestyle, body language and expressions has made him one of the world's most sought-after contemporary artists.

His stylish, avant-garde figurative work captures the snappy suits and seductive smiles of the party people and has won him international recognition. Amongst his many achievements, Todd is the artist of choice for the world's most high-profile showbiz events and a list of his celebrity collectors reads like a Hollywood who's who. His appointment as Official Artist to the GRAMMY® Awards, as Warner Bros's invitation to celebrate the 70th Anniversary of 'The Wizard of Oz' on canvas cemented his position as one of the world's most glamorous artists.
